Summary

Enthusiastic and motivated BCA student with a strong foundation in web development and programming. Proficient in HTML, CSS, JavaScript, Node.js, and C language, with hands-on experience in building real-world projects including a personal portfolio website, an Amazon clone, and a functional calculator. Passionate about learning new technologies and eager to contribute to live projects through an internship opportunity. Known for being a quick learner, problem-solver, and team player with a keen eye for clean and responsive UI design.

Skills

- Web Development: HTML, CSS, JavaScript, Node.js

- Programming: C Language

- Tools: Visual Studio Code, Git (Basic), Chrome DevTools

- Soft Skills: Problem-Solving, Quick Learning, Team Collaboration

- Languages: English, Hindi

Education

PATLIPUTRA UNIVERSITY

Bachelor of Computer Applications (BCA)

(2023-2026)

Project Experience

Self-Directed Web Development Projects

Remote - Jan 2024 - Present

Role: Web Developer

- Portfolio Website: Created a fully responsive portfolio website to showcase personal projects andskills. Built with HTML, CSS, and JavaScript, hosted on Vercel.

- Amazon Clone: Developed a responsive front-end clone of Amazon's homepage using HTML,CSS, and Font Awesome, focusing on UI layout and design.

- Calculator App: Designed a simple calculator using HTML, CSS, and JavaScript to perform basicarithmetic operations with a user-friendly interface.

Objective

To secure a web development internship that allows me to apply my technical skills in a real-world environment, gain industry experience, and grow as a developer.
